Home School Programs

Home School Classes at River Legacy Living Science Center enrich home studies by providing hands-on, interactive experiences in science. Classes draw on the collections and specimens of River Legacy Living Science Center for indoor investigations. Outdoors, the students will explore the plants, animals and environment of River Legacy Park.

Home School Classes meet **once a month on scheduled Wednesdays** from 2 to 4 pm from September through April (except December). **Please see dates below.**

Science Classes cost \$155 for the yearlong series. Class space is limited and is available on a first-come, first-served basis (wait lists available). *Additional classes could open due to wait list demand.*

Transportation must be provided by the parent or guardian.

Home School Science Classes:
